Purchaser will inspect the equipment at the time the meter is exchanged and notify the Seller if the equipment is found to be in a condition that is unacceptable to the Purchaser, then the Seller agrees to replace or repair the equipment. If upon inspection, the Buyer deems the equipment to be suitable for its purposes, then the material is sold "as is, where is" and "with all faults". Seller makes no warranty, whatsoever, whether express or implied, concerning the equipment or supplies, or fitness thereof for any purpose, except that seller shall convey good title to buyer and that the product shall be delivered free from any lawful lien or encumbrance. Under no circumstances will seller be liable to buyer or any third party for lost profits or revenues, indirect, special, consequential, punitive or exemplary damages.

Purchaser hereby assumes the risk of, and releases Seller from, and agrees to defend, indemnify and hold Seller, harmless, from and against, all claims, liabilities, fines, penalties, costs and expenses, including, but not limited to, those related to Buyer's own damages and losses and those of its customers, arising from or connected with, the possession, handling, processing, or use of the equipment or supplies by the Buyer or others, whether based on contract, negligence or otherwise.

I have read the above disclaimer and understand its content and further agree to the terms and conditions set forth above.
